Dear Representative Flood:

Thank you for writing Director William Casey for whom I am responding. I have spoken with your staff counsel, Mark Johnson, concerning our Agency's assessment of the trends of oil prices in Alaska. The data which our agency has is classified, but I suggest you call Mr. John Broadman at the Office of International Affairs at the Department of Energy (phone 202-252-5893). I have already spoken with him and he says he will be happy to talk with you at your convenience.

I hope this information will help you and I wish you the best in your endeavor.

Sincerely,

Public Affairs
